Our goal is to promote backyard food production, and to make gardening more accessible to Nova Scotians by delivering beautiful, built-to-last Garden Beds made out of locally sourced un-treated dressed 2" Spruce lumber (no chemicals).

This company is run by 22 year old Daniel Winters along with his brother Liam

Antigonish New Glasgow / Pictou Greenwood Digby Shelburne Liverpool Tatamagouche Sheet Harbour Guysborough Amherst	<p>At this time we are only delivering bulk orders of 8+ single layer garden beds to these areas (equivalent to 4+ double layer beds), as we have already fulfilled multiple pre-order deliveries to these areas and will not be doing further non-bulk deliveries to these areas until Spring 2023. If you want less than 8 beds, reach out to us and we can gladly place you on our list for pre-orders for April 2023.</p> <p>If you do not need 8+ beds, but you know some others in your area who also want garden beds, Winters' Garden Beds' will gladly make the trip out if the sum is 8+ in your town.</p> <p>Inquire for delivery fees for these areas.</p>			
Cape Breton	We have already fulfilled our Cape Breton pre-order deliveries for this season, and are taking pre-orders for 2023.
